About Us

Anyone can hold the helm when the sea is calm, but turbulent situations can be handled only by the experts, that's where Helmsman legal job starts.....

Who We Are

People with Values and Vision to provide end to end Customer Service.....!

People who demonstrate hard work through Customer Smiles and Satisfaction.....!

People who believes in building relationship with Integrity, Respect and Ethics.....!

Helmsman Legal is a firm with ocean of knowledge, where everyone is strive to maintain speed, consistency and stability with reliability while applying the correct sense of law with the prime motto of meeting the customer expectations and building the trust. It is our endeavor to provide quality service with excellence so as to smooth revival from critical periods by appropriate timely advice, perform risk analyses, investigate the affairs to avoid future, malfunction of the customers machinery, maintaining course to provide valid feedback on the job and to make your life hassle-free, smooth so that you continue to focus on your business.

We aspire to build long term relationship with our client through teamwork equipped with integrity and principles of ethics, honesty, accountability and consistency. As if the Helmsman goes overboard or is forced away from the control, the engine cuts out, the similar way, we understands the client perspective- the need for responsive legal advice, expertise, creativity, value and endeavor to maintain the hassle free environment.

We are a team of young professionals with a combined industry and domain experience who work on the philosophy of “thinking differently and thinking beyond

the law” to provide endless support with professional & personal commitment to maintain the steady course, properly executes all customer's expectations with open channel of communications.

Compliance | **Advisory** | **Regulatory** | **Litigations**

Compliance- We understand compliance of various laws and we always strive to work for client to keep it fully compliant of the applicable law. Our team with young professionals are always positioned to provide up-front advice to build the effective compliance management system for the organizations.

Advisory- In a world of unmatched density and prospect, customers are expecting to make new networks and find new ways of transforming. Helmsman legal advisory is consistently finding better ways of functioning as we collaborate with clients to help them solve their complex industry issues and capitalize on opportunities to grow, optimize and protect their businesses. Our collaborative approach and technology driven systems inspires us to ask better questions, design better answers and realize long-lasting results and to create and sustain Customer values.

Regulatory- We at Helmsman, have dedicated, full-service regulatory practice for rendering services to the clients at various levels. We are offering a holistic approach to the Regulatory and Quality Compliance requirements of various Industries including from start-ups through to multi-nationals, PSU's etc. With the team of young professionals, we are able to provide strategic & timely advice (“thinking differently and thinking beyond the law”) & representations as well as ensuring compliance with all the current and relevant rules and regulations.

Litigations- We are unique in creating exceptional value and cost efficiency through centralized discovery management for complex litigation matters. We are pioneer in handling the litigation matters with 360 degree real time reporting, easy settlement and dispute resolution. We believe the highest standards must be maintained to ensure ethical and professional excellence to provide cost effective quality services to our Clients.

How we do

Unite, Sustain & to Rise...!

We believe in one team & collaborative effort philosophy. We are a team comprised of dynamic professionals with high talent, aptitude and calibre with participative industrial exposure of about 15 years. Our in-depth expertise, immediate availability, geographic reach, transparent approach and the involvement of our partners in all assignments has made us the firm of choice for our clients. With the team of professionals with multi-qualifications e.g. law, company secretaries, insolvency professionals, cost and management accountants chartered accountants, bankers etc., we strive towards delivering values.

“Excellence is an art won by training and habituation. We do not act rightly because we have virtue or excellence, but we rather have those because we have acted rightly. We are what we repeatedly do. Excellence, then, is not an act but a habit.” Aristotle

“I AM NOT AFRAID OF STORMS FOR I AM LEARNING HOW TO SAIL MY SHIP.” LOUISAMAYALCOTT

Our presence in major cities of India, operating with the state of the art infrastructure and technology, make us one virtual office and ready to delivery team to provide services across sectors in the country.
